## WHY CHOOSE SKYBLUE

### PERMITS - HONORING DEADLINES, DELIVERING PROMISES

Whether you are operating to Africa, Asia, Russia, the Americas or beyond, the Skyblue Permits Team will secure your landing and over flight permits quickly and efficiently. The thoroughness of our in-house permit specialists reflects years of experience in securing clearances worldwide and at short notices.

### FLIGHT PLANNING - GLITCH FREE AIRLINE - STANDARD FLIGHT PLANNING

By using the latest technologies in computerized flight planning, the Skyblue Ops Team is committed to getting you the most direct and cost-effective route to your destination. Our sophisticated flight planning system is based on Lufthansa's LIDO navigation database.

### GROUND HANDLING - SEAMLESS HANDLING AT OVER 2500 LOCATIONS WORLDWIDE

Skyblue provides comprehensive handling services at more than 2500 airports in over 50 countries through its network of trusted handling partners.

### FUEL - EASY ACCESS. COMPETITIVE RATES

Skyblue has over 20 years of in-house experience in coordinating the best priced jet refueling services for executive, government and commercial flights at more than 2,500 locations worldwide. Our reputation can largely be contributed to our successful procurement of fuel tenders generating high volume transfers that ensure you are provided with competitive rates and quality services, even at the most remote destinations.

### CREDIT - FULL CREDIT FOR AIRPORT FEES AND OTHER THIRD PARTY DISBURSEMENTS

Skyblue is a leading provider of trip related credit facilities. All trip costs, from catering to landing fees can be arranged on credit through Skyblue.
